HULL.

Dear Sir,

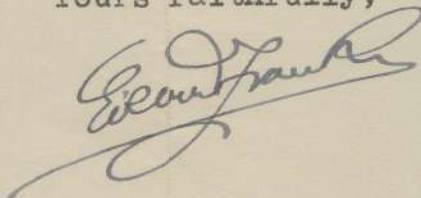

I have to thank you for your
letter of February 24th and for so kindly send-
ing me your booklet.

As all my translation rights are
handled by my Agents, Messrs. A. P. Watt & Son,
I am forwarding your letter to them and asking
them to deal with it.

Very few of my stories are of the
length you mention, but there is one in my
latest published volume called "S. O. S" which
would probably suit your purpose.

I will send you the photograph you
ask for as soon as you have arranged with my
Agents.

Yours faithfully,

GF/JB
