 <p>CENTRO DE INVESTIGACIÓN Y DOCUMENTACIÓN</p> <p>Major Matthel is an outstanding officer. During his stay at the Air Command and Staff College, he has impressed both the faculty and his classmates with his superior intellect, sound judgment, and ability to grasp rather difficult concepts. Major Matthel is an outstanding communicator, both in speaking and writing. Many times during the course of this year Major Matthel has taken it upon himself to clarify some point brought up in seminar. Because of his knowledge and his outstanding command of the English language he was able to very effectively communicate his views and clear up the problem. This officer is always exceptionally well prepared for any assignment. He is very effective when placed in either a speaking or a leadership role. His ability to analyze problems and then present his solution was of great value to the other students in his seminar. Because of Major Matthel's professional knowledge and personal magnetism he earned the respect and admiration of all his classmates. Major Matthel is a brilliant officer and I recommend that he be considered for further advanced education either in his own country or here in the United States. Major Matthel has not only been a brilliant student and outstanding officer but also a remarkably well informed and outstanding representative for his Air Force and his country. His departure will leave a void very difficult to fill.</p>

Comentario : El Mayor Matthei es un oficial sobresaliente en todos los aspectos. Durante su estadía en la Escuela de Comando y Estado Mayor impresionó continuamente, tanto a la facultad como a sus compañeros de estudios, con su inteligencia, su criterio maduro y su habilidad para captar conceptos bastantes difíciles. El Mayor Matthei tiene excelentes habilidades para la comunicación oral y escrita. En muchas oportunidades, durante el curso de este año, el Mayor Matthei ha tomado sobre sí la responsabilidad de aclarar algún punto surgido en discusión de seminario. Debido a sus conocimientos y a su sobresaliente dominio del inglés, era capaz de presentar sus puntos de vista en forma efectiva, y despejar el asunto. Este oficial está siempre muy bien preparado para cualesquier tareas que se le asignen en roles de conducción de seminarios. Su habilidad para analizar problemas y entonces presentar sus soluciones fué de gran valor a los otros alumnos de su seminario debido a sus conocimientos profesionales y ser magnetismo personal, el Mayor Matthei se ganó el respeto y admiración de todos sus compañeros. El Mayor Matthei es un oficial brillante y reconociendo que sea considerado para mayor educación avanzada ya sea en su propio país o aquí, en los Estados Unidos.
